

Up The Middle League Returns!

Since the Hermes Spring Skee-ball League has been cancelled, we're going to have a Brunswick Spring Skee-ball League for anyone interested (8 teams maximum so sign up soon) and below are this year's details.

1. This league has nothing to do with Hermes so there will be no online signup, World Skee-ball Tour t-shirts or playoffs. There is also no entry fee!
2. This year we will be having an "Up The Middle 2.0" league. The 100,000 holes will be capped. We'll see how well everyone can play since the majority of the players will now have to play differently. It should be interesting and the scores should be much closer.
3. There will be an optional \$10.00 jackpot fee per person for the season for anyone interested and it will **all** be given back to the players that have entered, in cash prize form at the end of the season. Cash prizes will be awarded for high single game, high one week 10 game series, and highest total points for the season. Ties will be split. Only one category prize per person. It is up to each player to make sure they tell me at the start of Week 1 at the latest if they want to enter and pay the jackpot fee before they play, not after someone throws a perfect game. Prize amounts will be determined by the amount of money collected.
4. The first place team at the end will win Winking Lizard 2015 Spring League Skee-ball Champion t-shirts.
5. The week after the final skee-ball week we will have pizza, wings and some beverage tickets compliments of The Winking Lizard. We will also have the machines set to free play compliments of Automatic Music and the 100,000 holes will be uncapped so everyone can practice up for the fall season.
6. The 2015 spring season will be a 6 week season beginning Monday April 6th and ending on May 11th. Starting time will be 6:30. Our end of season party will be Monday May 18th.
7. The schedule, scores, standings and any spring league info will be available online throughout the season at http://myplace.frontier.com/~altwd/skee-ball_2015.html

Please let me know by Saturday March 28th if you are planning on playing and please be as sure as you can be because an accurate schedule will depend on it. Let me know if you have any questions. Thanks.
