

## Caring in More Ways Than One.

As a physician, Ron Stollings cares deeply for his patients and their well-being. As our State Senator, he also cares about the people he represents. That's why he secures millions of dollars to fund important projects in his district.

Senator Ron Stollings helped secure more than **\$482,000** to help improve education, infrastructure, senior programs, economic development opportunities and to improve the quality of life for Logan County residents. Senator Stollings has helped to secure funding for:

- Marsh Fork Water Project. He also is working on funding for a major water project in the Harts area.
- Logan Area Public Library
- Buffalo Creek Memorial Library
- Logan County Board of Education
- Town of Chapmanville
- Chapmanville Public Library
- City of Logan
- Guyandotte Running and Walking Track
- Logan Farmers Market
- Logan County Commission
- PRIDE in Logan County
- Town of Man
- Chief Logan State Park's Pick-n-the-Park
- Corridor G Regional Economic Development Authority
