## *The Original Ferry Tales* - a folk history of Conneaut Lake

**Welcome to sixty years of memories** created by the last of Conneaut Lake's ferry boats - the Redwing and Outing.

**Based on ferry designs of the Lake's Victorian era,** these hardworking boats traveled more than a hundred thousand miles and carried tens of thousands of us across the

Lake in their 120 years of combined service.

**This CD contains the original Ferry Tales web site.** It's all here - the pictures and stories about the ferries, Conneaut Lake's other passenger boats, and many of the hotels. You'll find the fun stuff and the research, what you wanted and asked for. Even the typos that I could never *quite* get rid of....

Enjoy your virtual visit to Conneaut Lake!
