

# Hoedowners Membership Application

I /we would like to become a member of the Hoedowners square dance club. I understand this club offers Mainstream and PLUS dancing, as well as Basic round dancing, with regularly scheduled dances held on the 2<sup>nd</sup> and 4<sup>th</sup> Saturdays of each month, unless pre-empted.

As a club member, I will pay the annual membership of \$60.00, with the understanding that a portion of this membership fee pays for a mandatory secondary insurance, as required by USDA for all square dance members. I understand this membership will allow me entrance into every regularly scheduled Hoedowners dance, without additional funds due at the door. I further recognize that the Hoedowners membership includes participation in club dances, visitations, social activities, governance responsibilities and club involvement. Examples of involvement include: (1) bringing food to share at our club dances; (2) volunteering for kitchen duty and greeter/sign-in door duties; (3) serving on the board or helping on a committee; (4) serving as an angel at the "New Dancers Classes".

Dancers younger than 18 years of age, will be considered *youth members* and are not required to pay annual membership fees, but will need to pay the annual mandatory secondary insurance fee of \$4.45(cost determined annually) as well as a \$3.00 entry fee at the door for all regularly scheduled Hoedowners dances. Youth members must wait until they turn 18 years old to become a voting member.

**Annual Membership Fees Review**

- **Adult Memberships:** \$60.00 per person includes cost of secondary insurance.
- **Youth Membership (Younger Than 18 Years of Age):** \$4.45(secondary insurance) + \$3.00 at door for Hoedowners dances

**Membership Enrollment**

The membership year runs from March 1 – March 1. Because of our classes, Hoedowners typically invite new members to join in January. If new members join before the March enrollment, their membership will begin as soon as they pay and continue through March of the next year. This equates to approximately 14 months of dancing for the price of 12 months of dancing. Applicants, who join after Sept. 1<sup>st</sup>, will pay \$40.00 per person.
