

SITTIN STAY PET CARE SERVICES, LLC

Pet Sitting Rates

My name is Cherri Burns, owner of Sittin Stay Pet Care Services, LLC. I will provide daily or overnight care for your pet(s) in your home while you are away. In addition, extra services are available, such as, mail collection, watering household plants, yards and gardens, dog walking, pet taxi to the groomer or veterinarian and more. Even if you are home, dog walking or pet taxi is an option for those who may be ill or otherwise unavailable. The care of all household pets is provided, including reptiles, birds, rodents, small mammals and spiders. We will not service cows or horses. Because these animals may require more expertise, please make arrangements for them with a person who has experience with large livestock.

All services must be made via phone or in person to review availability. To ensure availability, please reserve services two weeks before departure, if possible. First-time clients should call three weeks before a scheduled departure, if possible. Keep in mind that holidays and summer months book up quickly. If necessary, insured and bonded helpers will be available as long as scheduling permits. **We also offer pet sitting for business trips, weddings, showers, funerals, illnesses, special occasions or midday and evening visits for long work days.**

For distances over 10 miles one way, a fuel charge will be calculated at the current mileage rate of \$.55 per mile plus the per visit fee. Overnight pet visits can be arranged and may replace an evening and morning visit fee depending on the times. I recommend three visits per day for dogs and once per day for cats and other small pets. If your dog must be crated during your absence or suffers from separation anxiety, I strongly recommend four visits per day or overnight visits so as not to put further stress on your dog. **TWO VISIT MINIMUM FOR DOGS EXCEPT FOR MIDDAY POTTIES.** The time I spend at your home depends on the number of pets and tasks required. **Holidays are an additional fee per day (Easter, Memorial Day, July 4, Labor Day, Thanksgiving, Christmas Eve, Christmas Day, New Year's Eve, New Year's Day and depend on sitter's availability). No overnight visits are available for the day before Thanksgiving, Thanksgiving Day, Christmas Eve, Christmas Day or New Year's Eve; however, we will make every attempt to work with you in order to best take care of your pets. First-time customers receive \$5.00 off a total of 6 consecutive visits OR \$10.00 off a total of 12 consecutive visits.**
