 - From Merville to Minnesota Avenue they hope to begin work next week. By the end of April they hope to have the bridge done with paving beginning the 2nd week in May.
 - There is a little bit of finish work to be done in Section 2 at the Little Sioux River bridge area.
 - Section 4. Correctionville to Holstein. There will be a planning meeting next week.
 - Section 5. Holstein to Adams Avenue. Two bridges have seen work all winter. They hope to be into paving by June.
 - Section 6. Adams Avenue to Early. Detour will be going on Monday, April 16th. They hope to have the paving of the east bound lanes done by July and the detour could then be taken off. There would still be finish work to be completed.
