Construction Season Alters Traffic in Western Iowa

As work continues on each mile of US 20 from Merville to Early, the Iowa Department of Transportation is posting information on local road closures at www.iowadot.gov/us20 to keep travelers informed. In the screen shot with this article (taken on June 19, 2017), road closures are clearly marked.

You can also sign up for construction updates by email or text from the DOT by visiting
