

Things to do in Southern California

By Cindy Tilbury and Rick Betts

Los Angeles and the whole state of California provide too many things to do in a season—let alone a weekend. The weather is sunny 300+ days a year so visitors flock here and are never at a loss on finding things to do. You can expect temperatures between 50 and 100, with a slight chance of rain. Below is a list of California highlights; please contact Cindy Tilbury (cindy.tilbury@att.net) if you have questions about your Los Angeles trip to the WSMRA 2019 event.
