This is a unique opportunity to enjoy the Rocky Mountains at a very low rate. Whether you ski downhill, ski cross country, snowshoe, shop art galleries, or just want to get away and play more racquetball, please join us for this special fundraiser.

## ELIGIBLE PARTICIPANTS

WSMRA ladies and their friends, not excluding men or kids, but ladies will be given first consideration. Call Cindy Tilbury to reserve your place today, because space is limited to the first 35 people. Here's what we have in mind for the group...

## ALL WEEK

Food, beer, wine, soft drinks, on-site racquetball, transportation, roman bath, skiing, other mountain activities, and much more at the Alpine Villa, Breckenridge Ski Resort, and the towns of Breckenridge and Frisco, Colorado. Mildred Gwinn will be preparing special dinners each night, and putting out continental breakfast and light lunch fare all week.

## SUNDAY AFTER THE FINALS

Hop on the van and enjoy a beverage on the ride up to Breckenridge's incredible Alpine Villa conference center. A light dinner will be available at the Alpine Villa, or you may opt to have dinner in Breckenridge.

## MONDAY

For skiers, have breakfast first, pack up a lunch, take the shuttle van to visit the ski rental shop, then either take an introductory ski lesson or head up the slope at Breckenridge. Lift tickets will be pre-purchased. Non-skiers can go into Breckenridge or Frisco for shopping, or relax or play racquetball at the Alpine Villa. Special guest chef/racquetball champion/breast cancer survivor, Mildred Gwinn, will prepare dinner for our group in the evening. Beer and wine will

be provided. Racquetball, pool, hot tub (swimsuit required), movies, and other activities are available. Be as social as you like, or stay in your own group of people—it's easy at the 20,000-square-foot Alpine Villa.

## TUESDAY THRU THURSDAY

Ski or snowshoe, go into town, or hang out at the Alpine Villa. Breakfast and lunch are provided; dinners will again be specially prepared by Mildred Gwinn.

## FRIDAY

Check out by noon and ride the shuttle van two hours back to Denver International Airport for afternoon flights. Arrangements can be made if you plan to stay extra days.
