Special Thanks to Currents Gallery!

[Currents Gallery](#) in McMinnville will give a percentage of their November and December sales to the Newberg and McMinnville area Habitat for Humanity groups. They believe everyone should be “Home for the Holidays”, their theme for the season. Currents Gallery is at 532 E 3rd St., McMinnville. They are a local artist co-op with member and consignment artists from around the county. Come see them for your locally-made holiday gifts.

Did you know Habitat for Humanity accepts cars to help build homes?

It is quick and easy to donate your car, truck, boat, RV, motorcycle or construction vehicle – you can even ensure that your gift will benefit the Newberg Area. Please go to www.carsforhomes.org for more information, or feel free to contact our office at 503-537-9938.

Habitat Oregon's 1,000th Home Campaign

In the last 25 years, Habitat for Humanity affiliates around the state have built more than 700 homes and in 2010 we'll raise the walls on the 1000th Habitat for Humanity Home in our state! Help promote our success here in Oregon and help us reach this important milestone!

For more information visit Habitat Oregon's website at <http://www.habitatoregon.org/>.

\$\$\$ Capital Campaign \$\$\$

In our [last issue](#) we told you that the Newberg Area Habitat for Humanity is in the preliminary stages of a large scale fundraising campaign that's necessary for the completion of the next two homes. We have begun recruiting folks for the campaign committee, and could use your help! Thanks to our wonderful volunteers who work diligently on the board of directors, building committee, and as family partners.
