

STAFF PHYSICIAN, MCKINLEY HEALTH CENTER
UNIVERSITY OF ILLINOIS AT URBANA-CHAMPAIGN

McKinley Health Center, one of the nation's premier Student Health Centers, is seeking physicians for full or part-time employment. We are a fully accredited ambulatory care clinic providing primary care to over 50,000 university students. In addition to primary care, the center also provides women's health and mental health services.

We are seeking dynamic service-oriented physicians for an exciting career in College Health to provide both primary care and women's health services in an ambulatory setting to students at the University of Illinois. This position involves no call responsibilities. Salary is competitive and includes a very attractive, comprehensive benefits package with professional liability coverage. Starting date is negotiable.

A M.D. or a D.O. degree and a valid Illinois medical license (or eligibility for licensure in Illinois) are required for consideration. Board certified or board eligible in a primary care specialty, required. Experience in college health and experience or certification working with mental health conditions are preferred.

To view the full job descriptions and apply online, please upload electronically a cover letter, current CV, and the names and contact information of three professional references to: jobs.illinois.edu

The University of Illinois is an EEO Employer/Vet/Disabled that participates in the federal e-Verify program and participates in a background check program focused on prior criminal or sexual misconduct history.
