Dear Members of St. Joseph's Parish,

Memorial Day 2011 might be marked by each one of us with a special prayer and sense of gratitude for those who served their country, and those who made the ultimate sacrifice of their lives so that our freedom could be protected, and extended also to those who live under the threat of tyranny and violence from their own governments. This time of year has become known as the 'Arab Spring,' when we observed thousands of people marching on the streets of their cities seeking to be freed of that which denies them the opportunity to be fully human.

We can sometimes take our own freedom for granted and not fully appreciate at times the sacrifice of the few on behalf of the many. Each day in our country about

1000 veterans from the Second World War pass from this life to the next. Many funerals that we celebrate here in our parish are of such veterans. Our deployed troops in Iraq and Afghanistan continue to give their lives, and many return with horrific injuries, both physical and mental, requiring lifelong care.

You might find the following prayer to be of meaning on this special day of remembrance:

Gracious God, on this Memorial Day weekend

We remember and give thanks

For those who have given their lives

In the service of our country.

When the need was greatest,

They stepped forward and did their duty

To defend the freedoms that we enjoy,

And to win the same for others.

O God, you yourself have taught us

That no love is greater than that

Which gives itself for another.

These honored dead gave the most precious gift they had,

Life itself,

For loved ones and neighbors,

For comrades and country - and for us.

Help us to honor their memory

By caring for their family members

They have left behind,

By ensuring that their wounded comrades

Are properly cared for,

By being watchful caretakers of the freedoms

For which they gave their lives,

And by demanding that no other young men and women

Follow them to a soldier's grave

Unless the reason is worthy and the cause if just.

Holy One, help us to remember that freedom is not free.

There are times when its cost is, indeed, dear.

Never let us forget those who paid so terrible a price

To ensure that freedom would be our legacy.

Though their names may fade with the passing of generations,

May we never forget what they have done.

Help us to be worthy of their sacrifice.

O God, help us to be worthy. Amen

Happy Memorial Day! Father Dan

Dear Brothers and Sisters in Christ,

The Catholic Communication Campaign (CCC) supports Catholic media projects for the radio, television, Internet, and print in our diocese and all over the United States. Half of the proceeds from this Collection in our diocese stay in our diocese to support our local communication efforts, such as our weekly TV Mass for shut-ins and the publishing and distribution of our Diocesan Newspaper: the Northern Nevada Catholic.

In his message for the 2009 World Communication Day, Pope Benedict XVI said, "I ask you to introduce into the culture of this new environment of communications and information technology the values on which you have built your lives." It is essential for the Catholic voice to be where the people are: whether that is sharing on social networking sites, listening to MP3 players, or reading a newspaper. CCC provides rich content, bringing the gospel message one page, click, or download at a time.

Please help us bring this witness. The Collection for the Catholic Communication Campaign is how the Good News gets around...to you.

Sincerely yours in Christ, Most Reverend Randolph R. Calvo, Bishop of Reno
