The following members attended the beach outing:

Thursday RAT pack were Dale & Pauline A, Terry & Judy D, Bob & Shirley G, Larry & Anita N, Joe & Judie R, Dennis & Jan S and Bill & Carol S. Terry & Judy D, Al & Rose G, Dennis & Jan S and Joe & Judie R stayed at other parks on the peninsula. We all went to dinner at Dooger's Seafood and Grill that evening and had a great meal and fellowship.

Friday Terry & Judy D, Joe & Judy R and Dennis & Jan S arrived from Illwaco and Seaview by noon and shortly after came Al & Rose G. By nightfall Frank & Dianne G, Bill & Juanita L, John & Elaine S and Jerry & Paula S arrived, making a total of 12 rigs, 24 members and 2 guests, Elle, granddaughter of Jerry & Paula S and Juanita L's daughter Theresa.

Friday afternoon Bill & Carol S toured downtown Long Beach while Dennis S and Terry & Judy D toured the Lighthouse and Interpretive Center. The rest of us just enjoyed relaxing. Friday night at 6:00 p.m. we headed into Long Beach to Chico's for pizza. Those attending were Terry & Judy D, Al & Rose G, Frank & Dianne G, Bill & Juanita L, Larry & Anita N, Joe & Judie R, Dennis & Jan S, and Bill & Carol S. Dale & Pauline A and John & Elaine S went to Dooger's for dinner. Bob & Shirley G stayed in since Shirley wasn't feeling good. We all came together in the clubhouse after dinner for games and fellowship.

Saturday morning at 10:00 a.m. it looked like we wouldn't be able to go to the beach and do the Sand Sculpturing, but the skies cleared and we headed for the beach. Larry & Anita N had plots mapped out and we had four teams. Team 1: Al and Rose G, Joe and Judie R. Team 2: Frank and Dianne G, and Elle (Jerry & Paula S's granddaughter). Team 3: Dennis S and Terry D. Team 4: Dale and Pauline A, Bob and Shirley G and John and Elaine S. Team 1 made an octopus with fish swimming around and called it "Dinner". Team 2 made a palm tree with a kiwi bird under the tree and called it "Official Wave Watcher". Team 3 made a motorhome pulling a tow car and called it "Classic RV". Team 4 built a castle with a moat around it and called it "Camelot" (snort) guarded by John. We did have a rain shower come through but we stuck it out, some of us ran for the car for cover till it passed. It was a lot of fun and we found out that most of us will never be a professional sand sculpturer. Winners will be announced after the potluck. For those of you who weren't able to attend I'm sure you can view photos of them on our web site.

In the afternoon Dale & Pauline A, Bob & Shirley G and John & Elaine S went to the Cranberry Museum, and Oysterville. Jan S, Paula S, Judy D, and Judie R went to Illwaco for the Saturday Market in search of some goodies, and some went into town to shop and have lunch. At 4:00 Larry N had kites for us to fly at the park. We had another break in the weather and we were able to get some kites in the air. Some had more trouble than others and some never got off the ground and some landed on RVs not always one of our own. Ask Bob G about those.

At 5:30 we had our Barbecue potluck in the clubhouse.
