## SEPTEMBER PROGRAM POSTPONED

The meeting planned for September 19th had to be postponed and will be held on Monday, October 17th, instead. Bill Graham, former president and former board member of the Minnesota Transportation Museum, will be our guest speaker. He will show pictures and give a talk on the history of the old street cars in the Twin Cities. Mr. Graham will speak at 8:00 p.m., following our Annual Meeting and election of officers. Refreshments will be served at the conclusion of the program.

You may hear band music as you step down from a fast, clean, electric car on the Como-Harriet Streetcar Line. It's 1910 all over again. Through cooperation of the Museum and the Minneapolis Parks & Recreation Board, the trolleys captivate and enthrall youngsters of all ages, just as they have for nearly a century.
