NEXT MEETING MONDAY, JUNE 19TH

At the next meeting of the Westonka Historical Society, a special program will be given by "Aunt Harrieth," Harrieth Champine, who for 17 years was a teacher with the Animal Humane Society in Minneapolis and a volunteer worker there many years before that.

Her delightful animal programs are fun and complete with sound information, also tricks from her parrot and songs from Sweden. Since her retirement in 1986, "Aunt Harrieth" has been booking her animal programs for children's birthday parties and many other special occasions.
