### HISTORICAL DISPLAY AT LIBRARY

In April, our Historical Society prepared a display for the Westonka Library in Mound, which has received many expressions of interest and appreciation. This display is still on view at the Library, and if you haven't yet had the opportunity to see it, we urge that you make a special trip to the Library to take advantage of it.

### APRIL MEETING WELL ATTENDED

Our meeting on April 18th, at which Mrs. Esther Anderson spoke about "Historic Indians - East and West" was well received, and a good audience was in attendance. There was a great deal of interest in the articles she brought back from her recent trip to India and many questions were asked. Some new members joined our Historical Society at this meeting, and we hope to have many more programs of this type.

### NO MEETING HELD IN MAY

There was no meeting in May, as this meeting had to be cancelled, so there has been no Newsletter since April. There also will be no meetings in July and August, as field trips are being planned for the summer months.

### TRANSPORTATION TO MEETINGS

Anyone needing transportation to meetings may call 472-4620.

### NEXT MEETING ON MONDAY, JUNE 20

Our next meeting will be held this coming Monday evening, June 20th, at 7:30 p. m., at the Westonka Activity Center in Mound. Mrs. Jerry Holl of Tonka Bay and Mrs. Joyce Quinn of Excelsior will be the guest speakers for this meeting. Mrs. Holl was editor of the recent publication put out by the Excelsior-Lake Minnetonka Historical Society for the Bicentennial, entitled "Picturesque Minnetonka, 1976", and Mrs. Quinn is active in compiling records for the Historical Society in rooms which the Freshwater Biological Institute in Navarre has loaned for this purpose.

Everyone is urged to attend this meeting on June 20th. Refreshments will be served after the program.
