**REGULAR MEETING OF HISTORICAL SOCIETY, MONDAY, FEBRUARY 20**

At the next meeting of the Mound-Westonka Historical Society, several members are planning to bring some interesting slides which they have to show to us. Also, the evening will be another "Show and Tell," so if anyone else has anything they would like to bring, slides, pictures, artifacts, etc., we would be happy to have you come and share them with us all.

The meeting will be at the Westonka Activity Center in Mound and will begin at 7:30 p.m.

After the program, refreshments will be served, and all are invited to attend.

**JANUARY MEETING WELL ATTENDED**

At our January meeting on Monday evening, January 16th, Mrs. Mildred Hodge told us about her memories of early days in the Mound area and her grandfather's farm. This program was very much enjoyed by all who attended, and a tape recording was made which has been done with some of our other programs, to be kept in our historical files.

Anyone needing transportation to meetings may call Bea Tangen, 472-4620.
