KEN PLANT TO SPEAK AT HISTORICAL SOCIETY MEETING ON MARCH 20TH

At the meeting to be held on Monday, March 20th, at 7:30 p.m., at the Westonka Activity Center in Mound, Ken Plant will be the guest speaker. He will speak about early history in the Mound area.

Mr. Plant was the originator of the idea of a Historical Society in the Westonka area when the first group started in 1966 and was the first Director of that group. We are sure Mr. Plant will have many interesting things to share with us, and all are encouraged to attend. Refreshments will be served after the program.

SLIDES SHOWN AT FEBRUARY MEETING

At the meeting held on February 20th, several members brought interesting slides to show, among which were some of the Pipestone Quarry, the Hiawatha Pageant at Pipestone, earlier pictures taken in the area, and some of Maude Chapman and Gladys Cole taken in 1973.

It was decided at this meeting that beginning sometime this spring, we would start interviewing older citizens in the Westonka area and make tape recordings. It was also decided to make tape recordings of speakers and programs at the monthly meetings. Another project being planned for the near future will be the reproduction of Melvin Gimmetad's book on the history of Mound.

MARCH 21ST QUILTING BEE MEETING

The next meeting of the Quilting Bee is scheduled for Tuesday evening, March 21, at 7:00 p.m., at the home of Mrs. Lavonne Adams on Enchanted Island. For those who have not been there before, this is the second house across the bridge on Enchanted Island. Take Tuxedo Blvd. through Island Park and then across the Enchanted Island Bridge.

Please bring all squares and strips of squares that have been sewn together to this meeting, so that we can begin joining these strips for the completed quilt.
