HISTORICAL SOCIETY MEETINGS

The old fashioned brown bread and bean supper held at the October 16th meeting was a huge success. Bea Tangen baked delicious brown bread, Tony Case brought her home baked beans, and Marjorie St. John made the best applesauce we have tasted in a long time. Quite a few members attended, and everyone thought the supper was really great and are hoping for more in the future!

At the next meeting, which will be on Monday, November 20th, at 7:30 p. m., at the Westonka Activity Center, George and Gladys Frederickson of Mound will be the guest speakers and will tell of their early memories of the Westonka area, which should be of much interest to all. For the December 18th meeting, a Christmas pot luck supper is being planned.

QUILTING BEE AT ISLAND PARK HALL

On October 23rd and November 13th, the Quilting Bee met at the Island Park Hall on Manchester Road in Island Park. This building is proving to be quite satisfactory for our purposes, as there are fluorescent lights and a large table, with plenty of light right over the table where we work, so it has been decided to meet in this building on the 2nd and 4th Monday of each month. This is the only evening this building is available, as they have quite a full schedule with many other

groups using the building, so we hope others interested will join us and make really good use of the large space there that is available for putting up a quilting frame, etc.

The meetings scheduled for the rest of this year will be: November 27th and December 11th, at 7:00 p. m. As the 4th Monday in December is Christmas Day, we will not meet then until the 2nd Monday in January, which is January 8th. Much progress has been made so far on our new quilt, which is the "Shoo Fly" pattern.
