NEXT MEETING FEBRUARY 25TH

The next meeting of the Westonka Historical Society will be held on Monday evening, February 25, at 7:00 p.m. at the Westonka Community Library, 2079 Commerce Blvd., Mound.

A historical film will be shown in the Community Room of the Library. The title of the film is, "More Than Bows And Arrows." It will be 58 minutes in length, and is in color with sound. The film is about the influence of Native American peoples on the development of the United States and should be very interesting to all.

Refreshments will be served at the conclusion of the film, and it is hoped that as many as possible will be able to attend.

GIMMESTAD BOOK, SECOND PRINTING

The second printing of the book on the history of Mound written by Melvin Gimmestad will be ready for sale within the next few weeks.

SOS Printing Co. of Mound has agreed to do the printing of this book for us at a very good rate, so that we will be able to keep the price as low as possible.

The cost of the books will be \$3.75 each.

VIDEO TAPE OF DEDICATION

The video tape which was made of the Dedication of the historical marker in Mound Bay Park on January 12th was shown at our last meeting on January 21st.

This tape will be shown again at a future meeting later in the spring so that all may have an opportunity to see it.
