MUSEUM PROGRESS REPORT

Some work has been continuing at our new museum this winter, in spite of the cold weather. Melvin Kirchenwitz of Tonka Bay volunteered to plow out a path in the snow up to the building, and Les and Richard Adams, and Dudley Fitz and a friend moved the pot belly stove into the house. Also some cleaning has been done, but we will be needing a cleaning committee of volunteers early this spring when the weather warms up. Call the secretary at 472-1885 if you can help with vacuuming and general cleaning.

And we will be needing some strong men to move things from the Anderson Building. You can call Bernie Lister at 472-2895 to let him know if you will be available on a Saturday soon, probably about March 1st.
