NEXT MEETING ON MONDAY, JANUARY  
20TH

Our next meeting has been changed to the fourth Monday this month instead of our regular third Monday. It will be held on January 26th at 8:00 p.m. at the Mound Depot on Bartlett Blvd. in Mound.

Our guest speaker this month will be Leonard Kopp, who was the City Manager of Mound from July, 1960, to April, 1981, over 20 years. We have been told this is the longest any City Manager in the State of Minnesota has been in office.

Since Mound will be celebrating its 75th anniversary this year, Mr. Kopp will be talking about the history of Mound's incorporation, also about the Indians who were in this area at one time.

Refreshments will be served at the conclusion of the program, and we hope as many as possible will attend.

DECEMBER 15TH MEETING WELL AT-  
TENDED

At our last meeting on December 15th, we had a very interesting program presented by Mrs. Vickie Beech, who showed slides and told us about the original log cabin on the property formerly owned by the Whittaker family which she and her husband had torn down in order to build a new log house on the same site.

In our last Newsletter, we mistakenly printed a picture of Mrs. Beech's present home instead of the log house they built on the Whittaker site, so below we are showing the correct log house at 6670 Game Farm Road.
