TOUR OF BOLL FARM OCTOBER 17TH

There will be a tour of the Boll Farm on Saturday, October 17th.

GERMAIN BOLL, life-long resident of Minnetrista, was the guest speaker Feb. 23 at the Westonka Historical Society's meeting. Boll knows his local history -- his family has farmed near St. Bonifacius for over 102 years. He himself has accumulated 35 years of service to the city as clerk, councilman and planning commission member.

Germain Boll, who spoke at our meeting on February 23rd, will take us on a tour through the family farm on Nike Road near St. Boni in Minnetrista. Germain has recently retired from farming, and the farm is now being run by his son Mark.

If you would like to go on this tour, come to the Depot on Bartlett Blvd. in Mound at 9:30 a.m. on October 17th.

We will then drive out to the Boll Farm for this tour.

The tour will begin at approximately 10:00 a.m. Afterwards, those who desire will go to the Norseman in St. Boni for lunch.

REGULAR MEETING, MONDAY, OCTOBER 19TH

Our next regular meeting will be held at the Mound Depot on Monday, October 19th, at 7:30 p.m.

No meetings were held during August and September, and this will be a very important meeting, as we need your input into the future of our Society, your ideas and suggestions for our meetings, etc. What would you like to see in the way of programs and so forth? We need your help!

We need more members and more active members! Do you know of someone who would like to see the success of this project in the Westonka area? Not only do we need active members, but we also need funding if we are to succeed with our hopes of a Museum and a real active Historical Society.

Please be sure to come to this meeting and invite everyone you know who you feel would be interested in the past, present, and future of the Westonka area.
